1816-Dec.-1819 Lyst.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

As the compilation of the Quarterly HALF-PAY LIST *may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.*

From the number of erroneous reports received of the Deaths of Officers, which in some cases occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—*The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to the Prince Regent's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.*

ADMIRALTY-OFFICE,
10th DECEMBER, 1816.

ABSTRACT of Regulations, on the subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of the Order of His Royal Highness the Prince Regent in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in Chief, or properly succeeding to such command, shall have a Pay of 3*l.* per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l.* per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants commanding, Surgeons.

Digitized by Google

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons *.

VII.

The following Officers shall be permitted to draw the whole of their Pay, half-yearly: Passed Mates, Passed Midshipmen, Secretaries' Clerks, Captains' Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains.

* This only applies to the case of Assistant Surgeons when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

ADMIRALTY-OFFICE,
10th DECEMBER, 1816.

ABSTRACT of Regulations, on the subject of Pay, established by the Lords Commissioners of the Admiralty, in obedience to and in pursuance of the Order of His Royal Highness the Prince Regent in Council, dated 25th November, 1816, to commence from the 1st January, 1817.

I.

THE Sea Pay of all Officers and Men of His Majesty's Navy and Royal Marines, as stated in the Table, is a Nett Pay, without addition or deduction of any kind.

II.

In all cases where Personal Pay is now payable, three fourth parts of the new Nett Pay shall be considered as Personal Pay, and shall be payable accordingly, and all Laws, Regulations, or Instructions now existing, concerning Personal Pay, are to be taken and considered to apply to three fourth parts of the new Nett Pay, and those concerning Compensation are to be taken and considered to apply to the remaining one fourth part of the new Nett Pay, except as may be hereinafter ordered to the contrary.

III.

Flag Officers or Commodores with Captains under them, when commissioned as Commanders-in Chief, or properly succeeding to such command, shall have a Pay of 3*l.* per diem in lieu of the present Table Money, but this shall be payable only while the Flag or Broad Pendant of the Officer is flying within the actual limits of his station; and on his death or absence shall be paid to the Officer on whom the Command may devolve, provided he be a Flag Officer or a Commodore with a Captain under him.

IV.

Captains who in the death or absence of a Commander-in-Chief are authorized to hoist a distinguishing Pendant, shall receive the Pay of 1*l.* per diem in addition to their Pay as Captains while the Pendant is flying within the limits of the station.

V.

The following Officers shall be permitted to draw Bills for the Amount of three fourths of their Pay, quarterly: Captains, Commanders, Lieutenants commanding, Surgeons.

VI.

The following Officers shall be permitted to draw the whole of their Pay, quarterly: Flag Officers, Lieutenants not Commanding, Officers of Royal Marines, Physicians of the Fleet, Masters of the Fleet, Chaplains, Secretaries, Assistant Surgeons *.

VII.

The following Officers shall be permitted to draw the whole of their Pay, half-yearly: Passed Mates, Passed Midshipmen, Secretaries' Clerks, Captains' Clerks, Schoolmasters.

VIII.

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

IX.

Mates and Midshipmen shall be entitled to draw after they shall have passed the Examinations prescribed by the Regulation of the 22d January, 1816, both at the Naval College, and before Three Captains. And no Captain shall approve the Bill of any Mate or Midshipman, who shall not have produced to him Certificates of his having passed both Examinations; for which purpose a duplicate Certificate is to be given him, at the time of passing.

X.

But as Mates and Midshipmen, who had passed the usual Examination before the 1st March last, or before the Day of the Receipt of the said Regulations on the Foreign Station on which they may be serving, are not by the said Regulations required to pass again at the College; Captains are at liberty to approve the Bills of Mates and Midshipmen, whose Passing Certificates are dated prior to the 1st March last, or to the Day on which the said Regulations were received on the Foreign Station; which date the respective Commanders-in-Chief are to notify herewith to the several Captains.

* This only applies to the case of Assistant Surgeons when they are serving with Surgeons. In small Vessels, where there are no Surgeons, the Assistants can only draw for Pay as Surgeons.

Note.—From the number of erroneous reports received of the Deaths of Officers, which in some cases occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

As the compilation of the Quarterly HALF-PAY LIST *may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.*

From the number of erroneous reports received of the Deaths of Officers, which in some cases occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—*The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to the Prince Regent's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.*

Bills drawn by any Lieutenant of the Ship, Officer of Royal Marines, Master, Chaplain, Secretary, Assistant Surgeon, Clerk, Mate, Midshipman, or Schoolmaster, must be certified by the Purser and approved by the Captain. The Purser shall be held responsible that the said Bill is not for a greater Sum than the Officer had a right to draw for, after any Debt for Slops or Dead Men's Clothes is abated from the Amount of his Wages, for the Period for which the Bill is drawn; and the Captain shall be held responsible, that the Officer so drawing has been borne for Wages during the specified period, and is entitled by these Regulations to draw, and that the Purser has already approved the said Bills.

PUBLISHED BY JOHN MURRAY,

BOOKSELLER TO THE ADMIRALTY AND BOARD OF LONGITUDE,

No. 50, *ALBEMARLE-STREET.*

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly HALF-PAY LIST *may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.*

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—*The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to the Prince Regent's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.*

DEATHS.

Note.—From the number of erroneous reports received of the Deaths of Officers, which in some cases occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly HALF-PAY LIST *may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.*

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

N. B.—*The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to the Prince Regent's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.*
